

Name of the Lesson: _____

Objective: _____

For each stage of the engagement cycle, please describe that part of the lesson and indicate the time allotted.
Lesson cycle may encompass multiple class sessions.

Time per stage

Total Cycle Time

--

Select which of the **four lenses** of learning that will be addressed in this lesson cycle:

- ☐ *learning as meaning making* (When students are active learners)
- ☐ *learning as social* (Collaboration with others)
- ☐ *learning as language based* (Using language appropriately)
- ☐ *learning as human* (Students bring prior knowledge to the learning;
Students understand how they learn and how they think)

Select which of the **five critical experiences** that will be addressed in this lesson cycle:

- ☐ **Reading: Transacting with Text**
(Reader constructs meaning according to prior knowledge, etc.)
- ☐ **Writing: Composing Text**
(Experience with the Five Types of Writing based on subject)
- ☐ **Extending Reading and Writing/Extending Problem Solving**
(Self Selection in and out of classroom)
- ☐ **Investigating Language/Mathematics Language**
(Students consider how language is used and how it works.)
- ☐ **Learning to Learn/Reflective Processes**
(How am I learning? How do I learn? How do I use these skills?)
